Образец рассказа о своей специальности и научной работе аспиранта (соискателя) (к вопросу 3)

My name is ... . In ... (year) I entered the Institute. I studied economics and management. I graduated from the Institute in ... and now I am working as a ... . I started my research work when I was a student. The topic of my research is... .

To start this work I must pass my qualifying exams in philosophy and English. I have already passed the exam in philosophy and just now I am taking the exam in English. It was necessary for me to read the literature in English on my research topic. I have read a book by ... . This book is closely connected with the topic of my research work. The information in the book is very important and useful for me and my thesis. The problem of the book is completely new in our country. The book deals with ... and the most important information is about ... . Having read the book I translated a part of the text in a written form for evaluation by my professors.

My work will take three or four years to complete. During the first year I must (should) study, analyze and classify literature. Then I must (should) collect information about enterprises and develop a theoretical framework based on a review on enterprises' activities. During the second year I plan to analyze the information I have collected and to publish 2 or 3 articles. Then I plan to take the exam in my specialty, and I plan to work on my dissertation. In the future I would like to continue my research and work in the sphere of foreign activities of Russian cooperatives. If I am working in the business world or hope to start a career in business, I must learn English, I need to be confident in business situations. I must speak more accurately and more fluently, improve my understanding of my business partners and learn the vocabulary of the business world. I shall be able to use the telephone and take an active part in meetings and negotiations with English-speaking clients. I shall be able to make conversation in social situations and to give a business presentation, to present our products and to win export contracts. I shall be able to give and understand papers at conferences and seminars, to discuss strategy with senior colleagues and to communicate effectively in international meetings.

Therefore, I must develop language skills relating to my sphere of activities and my profession.

Thank you for your attention.
