## **Requirements to Scientific Articles and Theses Layout**

Articles (theses) should be printed in A4 format, Microsoft Word text editor, Times New Roman type, point size 17. Page margin: left, right, bottom, top - 2 cm, single line spacing, indentation 1.25 cm, width text alignment.

The author's name and initials in bold italic lowercase letters should be printed in the upper right corner, below (normal font) must be placed an academic degree, academic rank, position, name of the institution.

The name of the article (thesis) is to be printed after a double line spacing in the center of the page in bold capital letters. The dot is not put after the name.

The article should have an abstract, a brief description of the article's thematic content. The abstract is to be printed in normal font (Times New Roman, point size 14), the volume of abstracts is up to 500 characters.

At the end of the text after a double line spacing there should be a list of references with not less than three literary sources. The authors' names and initials pointed in the references (if they are listed at the beginning of the source) are to be in italics.

All the data should have links to the literary sources. The attribution is to be given in square brackets with the number corresponding to the number in the reference list. *Theses do not require references and abstracts.*

The text of the article must contain consecutively numbered references to illustrations and tables. Formulas are performed with the help of built-in Microsoft Word Formula Editor Equation. Illustrations should be grouped.

One author can provide not more than one thesis or article.

The electronic version of each article should be in a separate file. The file name should contain the first author's surname and the first three words of the article (thesis) title.

An abstract size is 2 pages.

An article size is up to 10 pages.

Articles should have an internal review.

The deadline for submitting papers is up to April 30, 2016.

E-mail: [disser@bukep.ru](mailto:disser@bukep.ru)

The conference materials will be published.

### ***Conference Application Form***

<b>Last Name</b>	
<b>First Name</b>	
<b>Patronymic</b>	
<b>Place of work</b>	
<b>Position</b>	
<b>Scientific degree</b>	
<b>Academic title</b>	
<b>Address</b>	
<b>Work phone</b>	
<b>Mobile phone</b>	
<b>E-mail</b>	
<b>Subject of a report</b>	
<b>Research area</b>	
<b>Form of participation (live or virtual participation)</b>	

***Collections of scientific papers are assigned with LBC (Library Bibliographic Classification) and the ISBN number and will be placed in the base of RSCI (Russian Science Citation Index) in Elibrary.***
